

Language and Literacy

Literacy focuses on developing each child's ability to understand and use language as an integral part of learning in all areas in order to interact effectively with the world around them, to express themselves creatively and to communicate confidently (through Talking and Listening, Reading and Writing) using a variety of skills and media. Language and Literacy are fundamental prerequisites for thinking, learning and interacting in personal, social and work contexts throughout life. Literacy is therefore a key to learning as well as a key to enjoyment and personal growth.
