

Sports Days Final Information

This year we will be having Sports Events for our little pupils with dates Week Commencing Monday 5th June. (Weather permitting). All pupils will complete their little Sports Day Events with their classes in these groups. Each class group will have their own individual time slot. Please note that these dates are subject to weather conditions. If weather affects us, we will text parents at the earliest opportunity to let you know that the date will be rescheduled. With the recent warm spell, it is advised that pupils should wear sunscreen and bring additional water to sports. Miss Keyes (PE/ Health and Safety Leader) has devised a timetable for each class which is attached to this monthly June Newsletter.

To this end, Sports will be outdoor and according to our risk assessments, we warmly invite you to come along to each Class Sports Event, if you can! Seating will be laid out at the side of the Large Playground to the front of the Senior School Site where the grassed area is. We hope that parents will be able to come along to watch their child in the sporting events. If you cannot attend; we will also be filming each Sports Event like we did last year and we will make this available for parents too. Please note the following: If pupils have their Sports in the morning, we strongly encourage pupils to remain in school to avail of lunch and all the fun activities that staff will have planned for them for the rest of the day.
