# Let's get Together and do something Special this Lent

As we prepare for the joy of Easter we have decided to set St. Catherine's Pupils and Staff a Lenten Challenge! Over Lent we would like to encourage our children and staff to help those less fortunate than ourselves and support a few of our local charities. We remind ourselves that our mission is to educate and inspire our minds spiritually, academically and in service to others. There is no time like Lent to see our mission in action!

During Lent we would love to focus on alms giving by donating money to a good cause and support our local charities. In doing this we thought over the upcoming weeks we would choose four charitable causes and donate on a Friday to them. Any generosity would be welcome as we remind ourselves on the importance of giving to others over this very special time.

This Lent you can make some amazing transformations!

## Strabane Down Syndrome Support Group

The five charities are:

1. Strabane Down's Syndrome Support Group (Supporting our local children and adults with Down's Syndrome as well as their families)
2. Community Search and Rescue (In recognition of all the volunteers who help with local search and rescue)
3. Life After (A group formed to help and support the victims and families of Road Traffic Accidents)
4. Immaculate Conception Church Restoration Fund. (To help and support our own dear Fr Boland in his bid to carry out the much needed repairs to our precious and unique Church)
5. Trocaire (Supporting Global Justice for impoverished children and families)

# FREE First Aid Accredited Training

**Have you ever liked the idea of knowing how to give First Aid?....  
then this may be the opportunity for you!**

As part of our extended schools project, we are offering parents the opportunity to participate in an accredited Public First Aid training course, which will be run over two consecutive evening sessions, 7:00-9:00 pm, April 2018.

We plan to offer the course to parents across all 5 schools in our cluster-Strabane Academy, St Catherine's PS, St Mary's Cloghcor, Strabane PS and Bready Jubilee PS. As we see this as a key community venture, we are delivering the primary school workshops in neighbouring schools.

Venues used will be:

**Cohort 1- 2 x nights at St Catherine's & Strabane PS (1 night x2 hours at each school) on Tuesday 10th (St Catherine's PS) & Wednesday 11th April (Strabane PS)**

**Cohort 2- 2 x nights at Strabane Academy on Tuesday 17th & Wednesday 18th April**

**Cohort 3- 2 x nights at St Mary's PS & Bready Jubilee PS (1night x 2 hours at each school) on Tuesday 24th April (St Mary's Cloghcor) & Wednesday 25th April (Bready Jubilee PS)**

Practical elements of the programme will include:

- those who are prone to or have suffered a stroke or heart attack; CPR
- working with those who suffer with diabetes, asthma, anaphylaxis or epilepsy
- dealing with head injuries/ concussions
- dealing with bleeding
- dealing with choking
- scenarios at home (dealing with hazards)

This list is not restricted and could be changed to meet the needs of the participating group.

If you, as a parent/ carer, would be interested in participating in such a programme, please indicate below your preferred location. If demand is greater than spaces available for the programme, we will endeavour to run this course again in the future.

***Please return to school by Monday 5th March so that numbers can be confirmed.***

**Mental Health and Well Being for our Children...dealing with emotions, resolving conflict, understanding each other, children dealing with others bullying behaviours, children making sense of the world.....a whole school approach....do you think these are important issues for our children ?.....then please read below...**

We, at St Catherine's take these issues very seriously indeed and to this end, we embraced a teaching programme called PATHS in January 2015. We have since had every member of staff trained in the PATHS Programme and PATHS is delivered in every class from Nursery to Year 7. This programme helps to build resilience in children by helping them to understand their own emotions and the emotions of others a little better and helps children to empathise with each other better so that when they do fall out or differ with each other that this can be followed up and discussed sensibly and with understanding. In a lot of cases using their control signals from PATHS they can actually avoid upsetting behaviours at all!! This programme enables children to develop the essential skills they need for life.

We want to share this teaching with our parents so that you too can understand the type of work being completed in school and can use this proven strategy in homelife as well! Our PATHS Coach would like to give you an opportunity to learn tips that will help you to help your children become confident learners who are able to manage their feelings and solve problems and basically have the skills they need to equip them for life's challenges!

**In order to upskill our parents, we warmly invite you to a PATHS Parent Session on Tuesday 13th March at 9.30am in the Senior School Canteen. Any parent who signs up to attend the session can avail of a FREE BREAKFAST WITH THEIR CHILD that very morning! Children will return to class after breakfast and parents can stay on for the PATHS Information Session. Due to the hospitality ...we do need numbers... please complete the attached registration sheet with your name and the name of the child you wish to have for breakfast with you so we can plan and have enough food!! Support us and become a PATHS PARENT!!**

We would love to see you all there to avail of this opportunity and gain a valuable insight into our fabulous PATHS Programme.

**We have received PATHS MODEL SCHOOL Status.....and we are very proud of everything that our pupils and staff have worked so hard together on!**

**FREE  
BREAKFAST!!**

# **Strabane Speech Feis this weekend from Thursday 1st March until Monday 5th March**

We strongly promote and encourage Speech Feis as a means of developing confidence in our children so that they feel more comfortable speaking in front of an audience from such a young age.

This has helped children build very valuable skills so that in later life they can even transfer their skills to public speaking, interview situations, job roles etc. Strabane Speech Feis is on from Thursday 1st March until Monday 5th March.

If you enrolled your child for this wonderful opportunity in January 2018, then they will have been given a Feis Entry Card by their teacher in school detailing the competition date, venue and time. If you have not received this card yet then please ask your child's teacher. Children should be taken to the competition by their parents but if you are unable to do this during the school day then please consult your child's teacher. Your child will have been prepared for the Speech Feis by our teachers in school.

It is to be noted that regardless of the adjudication at Feis, every child who participated in Feis shall receive a certificate for this from our school ....so that everyone will feel valued for trying so hard!

We also wish to thank Ms Finola Kerr this year (Kerr School of Speech and Drama) for assisting our pupils and staff in the preparation for Feis.

Below is an outline of the Feis Competitions and when they will be on.

## **PATHS Quote of the Month - March**

***Sometimes saying "I'm sorry" seems to be too hard to do. Maybe you can apologise in different ways – shake hands; share something or give a compliment.***

## **Year 4 Do This in Memory Programme**

The next mass for Year 4 Pupils and their families is on Sunday 4th March at 10am in the Church of the Immaculate Conception. We look forward to seeing you all there!

## **Prayer of the Month March**

***Our Lenten Prayer is a prayer that you can cut out and have your child/ children sign and date to encourage them to try to live out the words of this prayer during Lent.***

## MY LENTEN PRAYER

Each day I will ask Jesus to help  
me say,  
'Please', 'Thank you' and  
'I'm Sorry' more often, at home, in  
school and in my community.
