## Safer Internet Day This year's theme .....

'Inspiring change? Making a difference, managing influence and navigating change online'.

Dear **Parents and Carers**,

On **Tuesday 6th February** we will be joining schools and youth organisations across the UK in celebrating **Safer Internet Day 2024**. Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers and more, to help to create a better internet.

This year the campaign will be focusing on change online, this includes covering:

- Young people's perspective on new and emerging technology
- Using the internet to make change for the better
- The changes young people want to see online
- The things that can influence and change the way young people think, feel and act online and offline

Using the internet safely and positively is a key message that we promote in **St. Catherine's Primary School**, and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

We would be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this, for the UK Safer Internet Centre have created some free activities and information for parents and carers which are available at: [safer-internet-day-2023/parents-and-carers](https://www.safer-internet-day-2023/parents-and-carers)

Whether you have 5 minutes to start a conversation or hours to spare, there are top tips, quizzes and films which you can use at home with your child.

Kind regards,  
Mrs Deery (ICT Senior Leader)

## **Top Tips Parents and carers**

These top tips have been written for you (parents and carers) to help you support your child to stay safe and happy online.

### **Inspire change by modelling how to be safe online**

Just like in their offline lives, children need role models online too. Set clear and fair expectations about how the whole family should use the internet and technology, and demonstrate these yourself. A Family Agreement is a great way to start conversations and put your ideas down on paper, to refer back to later and adapt as your child and your family's internet use changes.

### **Make a difference by having regular discussions about the online world**

Having regular and open conversations with your child about their use of technology and the internet is the best way to stay up to date, not only with changes in the online world, but also with what they are doing and seeing online. Starting these conversations can sometimes feel daunting, but they can help you feel more informed and show your child that you are taking an interest in their online life. Not sure where to begin? Use the tips and conversations starters in our "Let's Talk About Life Online" resource.

### **Manage influence by researching the content and games your child enjoys the most**

Giving young people the opportunity to talk about their life online, and enjoying online content together, can be a great way to gain an insight into the content they are viewing. Our 'Parents and Carers Resource Sheet' is a great tool that you can use to research any websites, apps and games and find out more about specific content.

### **Navigate change by knowing where to go for further support**

If your child needs help, it's important you know where to go for further support. Using the report and block buttons, websites such as 'Report Harmful Content', and other safety tools is a great starting point. It can also be useful to discuss any concerns or worries with your child's school as they may be able to offer further advice and guidance. It can also help to talk to other parents and carers who may have experienced something similar.

A decorative border surrounds the central text area, featuring a repeating pattern of white icons on a blue background. The icons include a desktop tower, monitor, CD, notepad, USB drive, mouse, printer, keyboard, and speakers.

## **Top Tips parents and carers of under 7s**

These top tips have been written for you (parents and carers) to share, and talk about, with your children. It's never too early to talk about life online!

### **Inspire change by spending time online together**

As your child starts to spend more time online and on devices, there will be opportunities for them to interact with others, make decisions and see a wide variety of content. Spending time with your child online together is an important part of them learning how they should behave and what to do if they are ever worried, upset or unsure about something on the internet.

### **Make a difference by having regular discussions about the online world**

As your child learns about the internet, they will likely have lots of thoughts and questions. Having regular discussions with your child gives them opportunities to tell you about the things they like doing online, as well as any concerns and worries they may have. A great time to have these conversations is whilst you are spending time online as a family.

### **Manage influence by being aware of the different things which engage your child online**

Your child might be influenced by a range of different things when online, such as exciting adverts, their favourite characters, and even by their friends. Not all influence online is negative, but it is important to be aware of what is engaging your child online and the impact this could have on them as they get older. Balance online influences with your own and your child's thoughts by talking about what they see and hear.

### **Navigate change by having a clear picture of your child's developing interests**

As your child grows up, their interests and hobbies will constantly change, and the things they are doing online are no different. Something they liked yesterday may be something they've lost interest in today. It is important to be curious and stay up to date with the games, apps and sites they are using and the safety settings available, so that you can help keep them safe as they start to explore the online world more.

# Nursery News

In partnership with the Oral Health Foundation, our Nursery will be involved in a tooth brushing programme aimed at improving the children's dental health. They will have their own special toothbrush which will be kept in the classroom and they will use fluoride toothpaste to clean their teeth. This activity will be supervised by Nursery staff. This programme will not take the place of brushing teeth at home. Further information will be distributed to you this month.

Please bring in a pair of wellies which can be kept for your child to use at Nursery until the end of June. The wellies should be clearly labelled with your child's name. More fun in Nursery!!!

## Draw and Talk Therapy Starts

AS part of our commitment to promoting emotional well being our Draw and Talk Therapy programme will start this term. We thank Ms Pamela Capriglione for facilitating this valuable programme in our school for our little children.

## Young Enterprise

### Years 2,3,4,5, 6 and 7 Programme

This term will see staff from Young Enterprise in school to deliver programmes to our Year 4,5, 6 and 7 Pupils under the following themes:

**Year 2: Ourselves**

**Year 3: Our Family**

**Year 4: Our Community**

**Year 5: Our City**

**Year 6 : Our World**

**Year 7 : Business Beginnings.**

These programmes prepare our little children for the Business World and promote creativity, life skills and entrepreneurialism. We are very excited to have this facility in our school to continue to promote a broad and varied curriculum for our children.

## “Seed to Pot” Programme facilitated by SHIP

### (Strabane Health Improvement Project).

We are excited, this term also, to launch a new Grow Your Own Programme for pupils in Year 3 and in Year 5 which will be facilitated by Strabane Health Improvement Project staff. The programme will explore growing in three different phases;

1. Seeding
2. Podding
3. Potting

We will be making use of the fabulous polytunnels that we have in each school site to develop this programme.

## St Catherine's Eco News

### Recycling News

This year we have purchased new 'paper Recycling Bins' for each classroom. The waste monitors in each class ensure that the bins are being used correctly and the senior members of the Eco Team on each site empty the recycling bins on a weekly basis.

### Waste Free Lunch:

Can you help us to reduce our waste by taking part in our "Waste Free Wednesdays"? Every Wednesday, earn 10 house points by bringing a Waste free lunch to school.

You could use a **lunchbox with compartments**, **small reusable plastic containers** and **reusable drinks bottles**.

The benefits to a plastic-free lunchbox includes a reduction in the amount of waste sent to the landfill. Plastic takes up to 1,000 years to decompose.

Together we can make a difference to our environment.

## St Patricks Day

**Gentle reminder:  
School will be closed

## Encouraging School Attendance!

We are delighted that we have no further challenges to our little children attending face to face teaching and learning in school like we suffered during Covid. To this end, we ask for parents support by encouraging school attendance every day. We understand that from time to time a child may be ill and if this happens please email the teacher or ring the school so that the correct absence code can be recorded for your child to explain the absence. Our school policy aims for at least 90% school attendance for every child. Help us to achieve this. To this end we will be giving out termly **BREAKFAST CLUB VOUCHERS** for any child who achieves 90% and more attendance. (Previously we gave for 100% but in order to support and encourage our children trying so hard we will give these vouchers now for any child who achieves between 90-100%). Thank you for your continued support!

# **Confirmation Preparation Masses 2023 2024 for our Year 7 Pupils and their families.**

Preparing children for the sacrament of Confirmation is a shared responsibility and we feel that it is vitally important that you are invited to become involved from the very beginning. Confirmation marks a time for children when they are preparing to move from one stage of their lives to the next. You as parents will have many fears and concerns about how your children will cope in the coming years with the choices they will have to make. Through your involvement in your child's Confirmation, you are being offered the chance to discuss with them their values, attitudes and beliefs. We want to reassure you of the important role you play in developing your child's faith.

*Here are some practical ways to get involved:*

- Bring your child to Mass on a Saturday evening/Sunday morning with the rest of your family.
- Help your child to learn the prayers which are being taught in school and discuss the Confirmation work they are doing in class.
- As a family light a candle and say a prayer each day with your child in preparation for Confirmation.
- Read together the story of Pentecost and talk about how the Apostles felt before and after receiving the Holy Spirit.
- Talk about your child's Baptism and Holy Communion – when and where they took place, who was there etc.
- Attend Masses and any special liturgies which are organised in connection with Confirmation.
- Help your child choose a suitable Confirmation name. If he or she chooses the name of a saint or family member, talk about the person whose name they have taken.
