

FOYLE COLLEGE

11<sup>th</sup> October 2024

Dear Parent/Guardian,

I am writing to you as the parent/guardian of a Primary 7 pupil who has applied to sit the SEAG Entrance Assessment in Foyle College on the 16<sup>th</sup> November and 23<sup>rd</sup> November 2024.

We are offering a **Familiarisation Evening** in school on **Tuesday, 22<sup>nd</sup> October 2024**, for one adult and the child who is sitting the assessment to attend.

Due to the number of pupils sitting the assessments at Foyle College we will be holding two information sessions on this evening.

You are invited to attend **Session 2** beginning **at 7.30pm in the Assembly Hall**. It is anticipated that the session will last no longer than one hour.

The Familiarisation Evening is not a compulsory part of the SEAG Entrance Assessment system; however, important information regarding the arrangements for the test days will be shared with you on the evening. Unfortunately, due to the availability of staff, this is the only date on which we can offer this facility.

We look forward to meeting you and your child on this evening.

Yours sincerely,

Mrs D McLaughlin  
Principal
