

We are delighted for our Children to be involved in the exciting, comprehensive PATHS program that promotes emotional and social competencies and is supported by Barnardo's. The PATHS program involves lots of fun activities dealing with important issues such as Feelings, Behaviours, Solving Problems, Making Friends and Self-Esteem. It links directly with our Personal Development and Mutual Understanding curriculum and aims to help children develop the fundamental skills needed for life. From time to time your child will have fun home activities to complete relating to the programme. Get involved! Ask your child in the coming weeks about our fantastic new PATHS program and help prepare them with the essential skills they need for their life ahead.
