## Keeping in Touch!

Communication has never been more important than it is at this very time. We are only sending out essential paper communications to you that may require your signature; all other communications are being sent in the following key ways;

1. Text messages
2. Text messages with links to letters
3. Emails

occasionally we will reinforce messages via facebook but important messages will be sent in one of the three main ways above.

To that end, please ensure that we have your correct mobile number and email address. If you wish to change these please let Mrs Kelly (Clerical Officer) know by emailing her at [ckelly452@c2kni.net](mailto:ckelly452@c2kni.net) . If you do not update us you may not receive VITAL INFORMATION going forward.

You can also email your child's teacher or a Senior Member of staff and we will endeavour to respond to you as soon as possible during the working day. Email addresses have already been sent to you in the Welcome Pack and other text letter link messages.

We also appreciate it when you update us if your child has symptoms of COVID 19 or if your child or a close contact tests positive. It continues to be very important that we know this in order to minimise infection risk.

Thank you all so much for your support to date!

## Health & Hygiene

As we begin a new school year we would like to increase your child's awareness of the importance of good handwashing, because, as you know, children are more prone to sharing bugs. We feel that this will help reduce the likelihood of the spread of any infections both in the school and at home. We would be grateful if you would go through the handwashing steps with your child. Little rhymes such as "This is the way we wash our hands" [for our younger children can make handwashing a fun experience. It is important that handwashing is carried out after certain activities, for example, using the toilet, before eating, after touching animals, the garden or rubbish. "Happy Handwashing!"

## Nut Allergy/ Healthy Breaks

In the interests of Health & Safety we ask our **parents/ carers/ pupils not to allow any break/ lunch items that may contain nuts or kiwi.**

We do have children in the school who have a nut allergy and as you may be aware if there are any foods with nuts at all, this may prove very serious for this child. Therefore any food item which has a chocolate trace to it is unacceptable as there can often be nut traces contained therein. Children should only bring a healthy break to school eg. Sandwich, cheese strings, fruit, yoghurt. No crisps/chocolate bars allowed as we are a Healthy Eating School.

All children from Year 2-7 should bring their own healthy breaks.

For their first year in school our Year 1 children will be provided with Free Fruit to encourage and promote Healthy Eating.

We really appreciate your cooperation and support in this matter.

## **School is CASHLESS! School Money App**

We have been using School Money App since last year and so far it works well. We will be adding more payment opportunities to it and now encourage all parents to use SCHOOL MONEY APP as the way to pay school dinners, milk money, school trip money etc. If you have any queries or difficulties with using this facility please contact Clerical Staff on any of our school sites. Thank you!

## Updating our School Records

As I am sure you will appreciate, it is vitally important that we hold accurate records, contact numbers and details of any health issues about all our pupils in the event of an emergency, Therefore we ask you to complete a "Data Capture Form" for each child so that the information we hold about our pupils is correct. Please complete and return this form immediately. Sometimes parents do not receive text messages and this can be because parents mobile numbers may have been changed. If your mobile phone number, home address, email address or any of your contact details have changed please let us know immediately. Sometimes parents do not receive written notifications as they may have moved house and forgotten to let us know their new address! Please keep us up to date.

## Photo Permissions and Medical Information

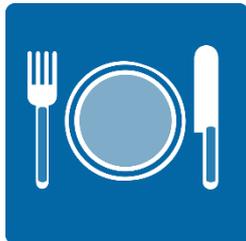

Every year we ask for parental permission with regard to photography of your children and we also ask to be made aware of your child's medical needs. Your child will receive forms today for you to complete and send back into school via their class teacher. We ask for you to complete these forms and return to school by Monday 9<sup>th</sup> October. Your support in this matter is greatly appreciated. If you have already returned your forms please ignore this gentle reminder.

### School Dinners

Children may bring their own lunch or they may have a school dinner prepared by our kitchen staff in the two sites of St. Catherine's. Meals will be served in the canteen with only two class bubbles in the canteen at any given time. Both canteens have acquired 5 Star status and we are very proud of them indeed. The cost of school dinner this year will be £ 2.60 per day (£2.50 Nursery) and should be paid via the SCHOOL MONEY APP. There are NEW DINNER MENUS attached to this newsletter...one for each week of the month. Dates are in the top corner of the menu. Please read carefully.

For any child who is entitled to Free School Meals ... parents should apply to the Education Authority (EA), Omagh. Phone 02882 411411. If you haven't applied or your application has not yet been processed please ring EA immediately.

**The Education Authority has advised us that it should be noted that if you have not applied for Free School Meals yet the application if approved will NOT be backdated. If your child's application has not been approved yet parents can either send a wee packed lunch with your child or alternatively pay for school dinner until the application has been approved.**

### School Lunches

As mentioned earlier we are a "Healthy Eating School" and in keeping with our Food in Schools Policy we would ask you to provide a healthy break for your child and a healthy lunchbox. A list of acceptable foods are listed at the back of this note.

### Physical Education (Primary School ONLY)

**It is crucial that our children have opportunities for physical fitness and learning more about their bodies and having a healthy lifestyle.**

**Our children will have opportunities to play at breaktime and lunchtime in their bubble groups (Weather permitting)**

**As soon as our little children settle in at school, we will begin PE lessons also.**

**Staff in each class will let you know when PE will begin and on which days it will take place. Children may wear their PE Gear to school on PE Days instead of their full uniform. The purpose of this is to minimise changing in school and help control the spread of infection.**

**If in doubt regarding PE time, you can email your child's teacher and they will be happy to give clarity.**

### Hallowe'en Break

### School Closure

**School will be closed for the Hallowe'en Break from MONDAY 30<sup>th</sup> October until Friday 3<sup>rd</sup> November (inclusive). School will reopen again on Monday 6<sup>th</sup> November as usual. Have a lovely break.**

## School Rules and Guides to making school life a happy experience for everyone!

We have three simple school rules in St. Catherine's which everyone should adhere to and they are .....

- 1. WORK HARD.**
- 2. ALWAYS DO YOUR BEST.**
- 3. TREAT EVERYONE AND EVERYTHING WITH RESPECT.**

### Musical Pathways Programme

Musical Pathways to Learning (MPL) is a scheme which enables children to develop through music. It is offered in our school to pupils in Nursery, Years 1 and 2. The programme involves an EA Specialist Teacher who uses stimulating activities including rhymes, songs and games. There is considerable research evidence which demonstrates that the skills learned are transferrable across all subjects in the curriculum. We are delighted to offer this in St Catherine's Nursery and Primary School every year.

Every year we host specialised Internet Safety Education Workshops for our Year 5-7 Pupils to upskill them in how to make most use of the Internet but in a safe and appropriate way.

Workshops will be facilitated by ALLSTATE and REIM SOLUTIONS.

The following dates below are for each year group;

Year 5: Thursday 16<sup>th</sup> November

Year 6 & 7: Tuesday 14<sup>th</sup> November

A colorful infographic titled "Be smart on the internet" with five key safety tips. The tips are: 1. SAFE: Keep safe by being careful not to give out personal information - such as your full name, email address, phone number, home address, photos or school name - to people you are chatting with online. 2. MEETING: Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present. 3. ACCEPTING: Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems - they may contain viruses or nasty messages! 4. RELIABLE: Information you find on the internet may not be true, or someone online may be lying about who they are. 5. TELL: Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online. You can report online abuse to the police at www.thinkuknow.org.uk. The infographic also includes the website www.kidsmart.org.uk and the KidSMART logo.

## Christmas Panto Trip (Years 1-7)

Every year we give our little children the opportunity to see a Christmas Panto live on the stage of the Millennium Forum in Derry. This is always an exciting trip for our children to see the theatre and enjoy the thrill of a live performance and the adventure of the bus trip!

This year, the panto is Jack and the Beanstalk!

A gigantic beanstalk, Daisy the cow, magic hens, a goose that lays golden eggs and the nastiest of giants- this promises to be a great show indeed!

**Years 1-4 Pupils will go on Monday 11<sup>th</sup> December and Years 5-7 Pupils will go on Wednesday 13<sup>th</sup> December.**

**This is always an exciting visit for our children on the lead up to Christmas and they enjoy it so much!**

**The cost of the trip this year is £12 (Same as previous years) . Prices have gone up but we use school funds to try to help keep costs the same and avoid more costs to our parents, hence the same price as previous years before! Please pay a deposit of £6 by Friday 20<sup>th</sup> October on the SCHOOL MONEY APP to secure your child's place on this trip. The trip can be made on the School Money App in two instalments to spread the cost. A permission note will be sent out to parents to give their signed permission for their child to go on the trip.**

**Book Character Day Friday 13<sup>th</sup> October 2023**

We are delighted to be celebrating Book Week from Monday 9<sup>th</sup> October until Friday 13<sup>th</sup> October! Children throughout the years have loved dressing up for Book Character Day and gain so much from it in terms of a love of reading and literature. We understand that these are very challenging times for everyone and we would remind parents that simple, homemade costumes are very often the best! Children can come to school dressed as a character from a fairy tale, book or a Nursery Rhyme. Every child will go home with a little token of appreciation for their efforts. They will have a fun filled day in school! Keep an eye on social media for some photos of their day.

**Book Fair Monday 9<sup>th</sup> October-Friday 13<sup>th</sup> October**

Our annual book fair will be here this year again! Your child will have the opportunity to purchase a book at the Book Fair. If you would like your child to purchase a book, simply send their money to school with them in an envelope with their name marked on it. They will have an opportunity to browse the book fair and bring the book home with them the day. We would like to thank you for your continued support as every purchase made provides funding towards books for the children in school! More details will follow!

# Celebrating Pupil Achievement

We have always felt that it is so important that we celebrate the achievements of our little pupils. We do this informally on a daily basis through conversations with them and class celebrations but we also celebrate success on a weekly/ monthly basis to share with each other on our school site. We feel that praise and recognition for work effort is crucial to our little children feeling happy, confident and proud of themselves and proud of their learning in school. Below is just a little reminder of some of the main achievements that we celebrate.

## Weekly : **Pupil of the Week**

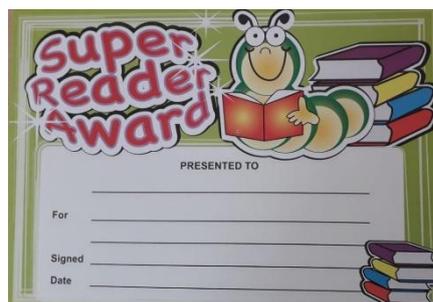

Every Friday we recognize that although all the pupils in the class work very hard, one little pupil may have shone a little brighter on that particular week and the teacher saw this and was duly impressed. It can be because they tried/ persevered so hard with their school work or it may be because they have been such a good friend, shown lovely manners or just displayed a lovely act of kindness...either way they have just shone!

Throughout the year every pupil in the class will have shone brightly and will have had this award given to them! Well done! Please celebrate this award with your children at home!

## Monthly: **Reader of the Month**

We value the importance of reading in our school. We celebrate our children's efforts with reading as often as we can. On a monthly basis each class celebrates a special effort made by a child who has committed to reading and has shown dedication and exceptional reading work. The work completed by the child is displayed in school for the next month and then they receive their certificate to take home after it has been displayed and celebrated in school. Please support us by encouraging reading at home and celebrating the importance of this achievement with your child!

## Monthly: **Mathematician of the Month**

We value the importance of Maths in our school. We celebrate our children's efforts with maths and mental maths as often as we can. On a monthly basis each class celebrates a special effort made by a child who has committed to maths, mental maths and problem solving maths plus has shown dedication and exceptional mathematical work. The work completed by the child is displayed in school for the next month and then they receive their certificate to take home after it has been displayed and celebrated in school. Please support us by encouraging mathematics, mental maths and problem solving at home and celebrating the importance of this achievement with your child!

## Monthly: **I.C.T Pupil of the Month**

We value the importance of I.C.T. and digital technology in our school. We celebrate our children's efforts with digital technology as often as we can. On a monthly basis each class celebrates a special effort made by a child who has committed to I.C.T. and digital technology and has shown dedication and exceptional work and enthusiasm in this area. The work completed by the child is displayed in school for the next month and then they receive their certificate to take home after it has been displayed and celebrated in school. Please support us by encouraging I.C.T. and Digital Technology at home and celebrating the importance of this achievement with your child!

Daily / Weekly/ Monthly/ Termly/ Annually; **Harry Potter House Award System**

Each child in our school is a member of a HOUSE TEAM. We operate under the Harry Potter House Awards System so each child is either in the house of...

1. Hufflepuff
2. Slytherin
3. Gryffindor
4. Ravenclaw

Each day of each week our little pupils have opportunities to gain points for their HOUSE TEAM by for example; showing kindness, completing homework, showing pride in their uniform, completing classwork to a high standard, healthy eating, sports endeavours, musical endeavours, good manners in/ out of school, recognition in / out of school etc. These points are accumulated in every class at the end of the week and tallied at the end of the month. The House Team in the lead at the end of every month has their points announced and receive a HOMEWORK PASS. At the end of the year the WINNING HOUSE TEAM receive a plaque for their team on each site, a medal and a school trip away together. The other HOUSE TEAMS receive a lovely certificate for having participated and given their best! Every child has an opportunity here to shine and gain points for each other in their HOUSE TEAM. This is to promote and enhance a sense of school family spirit for all pupils! Please support us by encouraging participation in the school house points system at home and celebrating the importance of this achievement and teamship with your child!

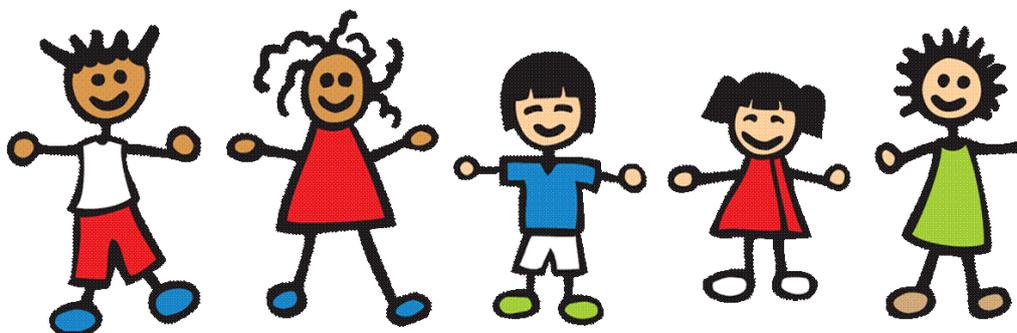

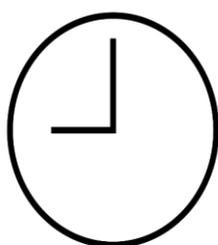

The board features a banner at the top with the text "Harry Potter House Rewards" and illustrations of Harry Potter. Below the banner are four columns, each representing a house. Each column contains a crest, a list of values, and a crest with the house name. At the bottom is a table with four columns and five rows, representing the months from September to December. The first row contains the current point totals for each house: Gryffindor (3711), Slytherin (4096), Hufflepuff (3467), and Ravenclaw (4067).

The PATHS programme involves lots of fun activities dealing with important issues such as Feelings, Behaviours, Solving Problems, Making Friends and Self-Esteem. It links directly with our Personal Development and Mutual Understanding curriculum and aims to help children develop the fundamental skills needed for life. From time to time your child will have fun home activities to complete relating to the programme. Get involved! Ask your child in the coming weeks about our fantastic PATHS programme and help prepare them with the essential skills they need for their life ahead. There will be an inspirational PATHS quote each month in our newsletter highlighting key PATHS ideas.

# Avian Flu Guidance from the Education Authority

(Please see below)

22 August 2023

Dear Principal

**Ref: Avian Influenza Advice**

We would be grateful for your support in communicating the current public health guidance around Avian Influenza with your colleagues.

The Public Health Agency (PHA) has advised that human infections with Avian Influenza are rare as it is primarily a disease of birds with the risk to the health of the general public, being very low.

However, the PHA encourages all members of the public to observe the following guidance when maintaining outdoor areas, including school grounds:

- Do not pick up or touch sick, dying, or dead poultry or wild birds and keep pets away from them.
- Avoid contact with surfaces contaminated with bird faeces.
- Avoid untreated bird feathers (such as those found in the environment) and other bird waste.
- Maintain good personal hygiene with regular hand washing with soap and use of alcohol-based hand rubs.

In addition to sharing this guidance with your school staff, the attached poster from the Department of Agriculture, Environment and Rural Affairs (DAERA), may also be useful.

The public can report any findings of dead wild birds through a new online reporting form. The reporting tool can be accessed by scanning the QR code on the poster, or on the DAERA website - [click here](#).

You can find further information and frequently asked questions on matters such as Disposal Methods of dead birds via the DAERA website - [click here](#).

Thank you for your continued support.

Yours Sincerely,

## Hallowe'en Film Fun Day(Nursery -Year 7)

On Friday 27<sup>th</sup> October, we warmly invite our little pupils to come to school dressed in their Hallowe'en Costumes.

We will be having a Film Day in every class where each class will transform into a Cinema Room and a film will be shown.

Instead of paying extra for treats this year, children may bring their own treats on this day. The cost of the film and voluntary donation to school funds is £1. Money donated to school funds helps school purchase valuable resources for children, little gifts at Christmas and Easter, subsidises buses for trips etc. We really appreciate any support you can give as all money goes towards our little children.

We hope that our little children will enjoy this Hallowe'en experience!
